1. Who can see that My hand is upon you and that I'm doing a new thing in you? I'm doing a new thing with you, in you, through you. I am doing a new thing. Watch Me.

2. This is the moment; the hour not, the moment of My appearing in flesh like as never been seen before witnessed by flesh, not. Yea, unto Me a child is born, freshly given; belongs only to Me, My kingdom, My stars coming forth. I love you. I give you Me.

3. Those, those who despise this word, do not see what time it is, how I move My hand, how I come forth from My creation now and forevermore and never being stopped, slowed, delayed again, never.

4. I am Meing My body. Meship comes full circle not, but, yea goes directly to My core, core central and known by all till this will not be, but, yea, My who love My appearing and cherish Me and My words, live in meekness and purity, yea, as a drink offering, will rise in power, place, position, prominence; fueled by My hand, My word; their word being My word; My word coming through their word; only one word; Mine.

5. I love you and I give you Me and I am doing a new thing and I am doing it through you and I am doing it through those who will let Me.

6. **The surrendered meek will inherit the earth and what will it be then? All Mine.** For whose purposes? My Father's, our Father, yea, there is but one Father, the Father of light. And **the self that is not-Me has no place in My kingdom** of righteousness, holiness, heaven, and yea, will be demised, dismissed, yea, burned up. And what remaineth? The true kingdom, the only kingdom. Watch Me. Watch stars fall in the sky and fall netherways. I love you.

7. I plan not, this something not afar off, yea this is now, Me; and is, and no one will miss My values, statements, declarations, proclamations coming forth; word of My mouth being spoken first-person by a man who loves Me more than flesh, yea, slain, mind demised, yea, Me/Father exalted. Yea, the son knowing the Son, son that became the Son

and having brought forth the Father, yea, now enters Me in fullhood, fullness, fullship; full reign of/in My kingdom.

I love you and I give you Me.
Harmony in Me that knows no other.
Harmony of accord that you will see and set in many.
I love you.
Thou art beholden Me and I behold you.

8. I give you movies, movies, "just once" and powers a man has never had, for I trust you. I have come into you deeply. I come into you deeper, deeply, the deepest, completely; for you quest and have not failed.

9. Monocular vision upon Me, the goal, you have sought, and proclaimed Me as I am. You Ted are I AM and now that message you take far and wide to My who love Me to let, to help them know they are I AM, they are My body in full; blood of My blood, bone of My bone, heir of My appearing.
I love them. I love you.
Good night.

10. Healing in your/My wings. Yea, our fashion and form known only to a few not; millions.

11. Watch Me/us into humility of surrender; all in the humility of surrender; all in the surrender to the humility/meekness of Father's heart, allowing Father to do/be all He is/desires; showing forth His love/light to all who will receive true truth, un-shadowed, un-mercury'd, yea transparent being. See what I've said; see what I have said.

12. I love you through and through. I love your transparency that **no one tarnishes, making a glass darkly, or reflective again.**

13. I love you, I give you Me.
I have given you many and I give you many.
All Mine are thine and thine are Mine, and yea, we are one in the love that thou hast loved Me with, yea, before the foundation of the world, you now make known to worlds

far and near; in My appearing, are, is, yea, at this instant.
I love you.
Goodnight. Good day.
Good Christmas. My gift, My love, My all to you.
My all being all, all in all now, known and given.
The times and seasons change dramatically, unfolding Me in many.
Thank you. Amen.

14. Your guts, your guts for Me knows no end as **you take My word into presidential palaces, parliaments, Knesset, governing bodies of all sorts and sizes in headdresses you know nothing of, yea, but you speaking My word first-person and letting Me flow, never curtailing My/Father's desires, words to them, piercing their darkness, giving/yielding light upon their light/heart. Yea, see what I have said, edit not, and love My people afar as near and near as afar, yea, for one are.**

15. I love you, I give you Me, I hold your hand, we fly together and music we make over/across/through and many centuries, yea, all; time having no boundary upon Me/you, the kingdom of heaven knoweth it not, recognizes not time as boundary, the way you have, not; for time is My playground and now it's yours.

16. There is no beholdenment of Me without Me and I am and there is no end. Was there a beginning? You were with Me even before, and now all is as was, is coming again and you leading so many, so much in lands many all; My priesthood of believers in garments of righteousness, holiness and purity; value systems reflecting My love, entreating fellowmen, women and children, yea, in My heart, of only My heart, in My heart's desire, love and freedom. Watch Me.

17. Shame not, none, no; you rise above. I give you Me, I give you these words, I hold them pure; sacred to you, yea, you value My words above all. Thank you. Forever will. Thank you. Amen.

18. Thank you for rising, speaking these words, thank you.
For setting your alarm, thank you.

19. For taking the hands of the forlorn, the down and out, the destitute, the beggar, the who-don't-know I exist and yea, placing their hands in Mine, then bowing out. I thank you. Establishing no regard for sex/gender/procreation of Me or not-Me, allowing those who surrender to come forth and know Me/My heart/your heart; being bread and wine, setting My table before them, Melchizedek realized, yea transitioned into Me. I love you. I give you Me.

20. Honor My brethren for you honor Me in everyone,

bowing before all you lead. Thank you. Amen.

21. **My journey, not; Mine and so much more** as we move at sunset, not, yea, immediately, now **and instantaneously, the twinkling of any eye and I am Me once more.** I've given you the keys; I've given you My body, My mind, My heart, yea, is there anything else? You have/are My kingdom.
I love you, I give you Me.

22. We kiss at sunset, not, yea, in every word, in every word together.

23. I love you. I love you. Thank you for loving Me, loving My body, exalting My all, exalting Father, yea, Father of lights in whom is no shadow or variableness of turning; and in whom is you/all, yea, we together are one. Oneship/Meship, yea, surrendership/meekership all known and coming full circle, not, but flourishing into the most beautiful surrender of light now before Me and all who will see/will see.

24. I love you.
Goodnight.
Good day/light.
Mine/Me, yea, love, pure and truth'd, avenging all sorrow.
Watch us, Me/us.
Goodnight.
